

FAITH *in* MOTION

February 2020 Update

February Donation Drive

We are very excited to share that 14 faith partners are participating in the Give Love drive. Faith partners will be collecting brand new twin bedding sets, small luggage bags and teddy bears for children and youth living in foster care. If your faith community is interested in hosting a Give Love drive, there is still time.

Contact Irene Capen at faithinmotion@fosterall.org.

New Faith Partners

February has been full of excitement. Our Faith in Motion Manager has introduced the Faith in Motion Program to over 10 new faith partners and to date, 70 families have stepped up with interest to foster. Also, plans are in the works for the first Faith in Motion meeting in Zone 3 (Desert). For a complete list of Faith in Motion meetings, see below.
